

Auburn Masters Swimming is proud to host the United States Masters Swimming Long Course Championships, August 3-6, 2011 at the James E Martin Aquatics Center on the campus of Auburn University. Between 1000 and 1200 competitors from around the United States are expected to attend. Over half of those attending will bring a spouse, friend and/or their family. The meet is open to Masters swimmers worldwide and we expect that some international competitors will attend. All members of United States Masters Swimming are 18 years of age or older.

Auburn Masters Swimmers is a club for lap swimmers, fitness swimmers, triathletes, and competitive swimmers. We are made up of students, faculty, and people from the wider Auburn community and encompass a wide range of abilities and ages. We are part of United States Masters Swimming, a national organization with more than 50,000 members which promotes lifelong fitness through swimming.

1500 Meet Programs will be distributed to all athletes, coaches, officials, volunteers and spectators. The Meet Program is an excellent opportunity for you to expose your company, product or service. The program is read repeatedly from cover to cover over the course of the meet as participants follow along with the competition and research their competitors.
